

Pine Culture Exchange LLC is pleased to be sending you information regarding our English programs providing by Orlando English Institute (OEI). OEI is recognized by the Association of American Intensive English Programs. We are active member in the international organization of Teaching English as a Second or Other Language (TESOL) and of the National Association of Foreign Student Affairs (NAFSA). We are also accredited by the Accrediting Council for Continuing Education and Training (ACCET). Our instructors are highly qualified. ALL our instructors have appropriate university degrees, extensive training, and experience in teaching English to international students. At the end of the session all students will receive a written Final Grade Report, Certificate of Attendance, and award Certificate of Completion.

Pine Culture Exchange LLC also provides application service for the foreign student who wants to study in the U.S. including High School, Language School, College , and University. We also provide landing airport pick up and return services and short term home stays.

Programs Summary:

## **STUDY VACATION PROGRAM:**

**Course Description:** The Study Vacation program is for students between twelve and eighteen years of age. The program includes up to twenty-five lessons of English each week, emphasizing fluency and communication practice. Activities are designed to provide an exciting balance to classroom study and vary depending on the institute you choose. Homestay with private bedroom, three meals per day and transportation to and from school are included.

**Dates:** At any time, by arrangement.

## **INTENSIVE ENGLISH PROGRAM:**

**Course Description:** when you complete IEP, you will possess the skills you will need in the academic or professional world. You will be able to:

- Function comfortable in any English-speaking environment.
- Participate fully in conversations with very few restrictions.
- Understand speakers in academic or professional settings.
- Read and understand texts and technical papers.
- Gather information from written and spoken sources and write reports in acceptable academic or professional form.

The academic program is carefully designed to help you achieve your language learning goals.

- Thirteen four-week sessions per year
- Twenty-five 50-minute lessons per week
- Unique, optional sixth hour daily at no extra cost
- Nine levels of instruction plus post-graduate courses
- Classes meet Monday through Friday. Classes include structure and speaking, reading, writing, and electives, plus an optional sixth lesson each day for homework, lab, or test study.

## **TOEFL FOCUS PROGRAM:**

### **Course Description:**

Option #1— Test question analysis, advanced grammar review, test-taking practice, and testing strategy. One hour per day as part of the regular Intensive English Program. Available to students in Level 6 and above.

Option #2—Test-taking strategies, strong advanced grammar and reading review, practice tests and analysis of test results. Five hours of study per day as part of the regular Intensive English Program. Available to students in Level 5 and above.

**Dates:** Class is available during all regular sessions.

## **HIGH SCHOOL PROGRAM:**

**Course Description:** The Prep-Marian High School program offers high school graduation for international students. During the academic year, students live

in high school dorms with 24-hour staff available. Homestay families are available when dorms are closed over school holidays.

Students should attend school: in the summer prior to the August start date, or in the fall semester prior to the January start date to prepare for high school study. Students can earn an American high school diploma through these programs.

## **MACROINTENSIVE ENGLISH PROGRAM:**

**Course Description:** This private, custom program is designed for people who need English in their business but have limited time to study. This program can return you to your job quickly with the English skills you need.

Individual attention from a team of our most experienced instructors

Up to 45 hours of one-on-one instruction per week

Program designed for your professional and personal needs

Field trips and/or university class visits, contacts with professionals in your field

Personal attention that helps you learn professional English quickly and well

All arrangements made before you arrive

**Dates:** At any time, by arrangement.

## **EXECUTIVE ENGLISH PROGRAM:**

**Course Description:** For students who desire both private and group hours, we offer a combination of three hours of individualized one-on-one instruction plus

three hours of regular classes. Alternative schedules can be arranged.

**Dates:** At any time, by arrangement

## **PETROLEUM ENGLISH PROGRAM:**

**Course Description:** This course is for individuals who work in the petroleum industry. We provide instruction in technical English in areas ranging from the oil field to the office. Oil well drilling, job safety, technical terms and writing skills are among the topics offered.

**Dates:** At any time, by arrangement.

## **CUSTOM and COMMUNITY EXPERIENCE PROGRAMS:**

**Course Description:** This course provides intensive English in the morning plus specialized private instruction in a content area. Students gain real-life experience visiting locations in the community to gain first-hand knowledge of the content area. Students attend for five hours per day, five days per week, for four weeks. Students observe the total process and work routines of local industries, businesses and institutions. Content areas may include business, law, journalism, petroleum production, manufacturing, computer technology, education, music, recreational management, food processing, Native American culture, environmental studies, telecommunications and early childhood development.

**Dates:** The Community Experience program begins every four weeks on the
